2019 was a very productive vintage across the state of Texas due to favorable spring weather and ample heat throughout the growing season. This allowed the vines to yield a large crop of ripe grapes with intense flavor and structure. Our Cabernet Sauvignon reflects the terroir of West Texas with the grapes sourced for this wine coming from several prominent sites including the Dell Valley Ranch (West Texas) and Newsom Vineyards (Texas High Plains AVA).

Our 2019 Cabernet Sauvignon is composed of 77% Cabernet Sauvignon, 8% Petit Verdot, 8% Tempranillo, 5% Malbec, and 2% Cabernet Franc. Drink this wine now or bottle age over the next 2 – 3 years to evolve the bouquet and complexity of the wine.

Serve Cabernet Sauvignon at a cool room temperature (60 F), this wine pairs well with red meats (grilled steaks, braised short rib, lamb), burgers, roasted vegetables/fajitas, dark chocolate, and aged cheeses.
